**OFFICE OF PETITIONS**

Dear Sir:

Applicants respectfully request that this application be withdrawn from issue under the provisions of 37 CFR § 1.313 (c) (2) in order to permit Applicants Request for Continued Examination (RCE) to be acted upon. Applicants have requested the RCE in order to permit consideration by the Examiner of an Information Disclosure Statement (IDS) being submitted with the RCE. This new IDS is required because Official Actions were forwarded in corresponding foreign applications now pending in the Canada Patent Office and the European Patent Offices. These Official Actions may contain information suitable for consideration by the Examiner in this application. Copies of the Official Actions have been attached to the IDS.

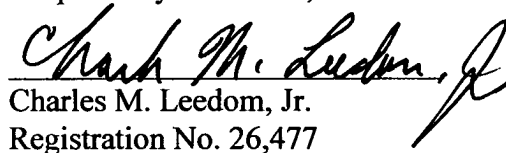

A Fee Transmittal Form is attached along with a check including the fee (\$130) required for this petition. If this fee is incorrect, the PTO is requested to contact the undersigned so that the proper fee can be submitted promptly.
